

Illinois Department of Transportation

Division of Highways/Region One / District One
201 West Center Court/Schaumburg, Illinois 60196-1096

March 17, 2010

Mr. Larry Sims
Plant Manager
Kieft Brothers
837 S. Riverside Drive
Elmhurst, IL 60126

Dear Mr. Sims:

The Department has reviewed your Concrete Quality Control Plan and inspected your equipment located at your Precast facility (P/S # 1062-01) was completed on March 17, 2010, by representative of the Illinois Department of Transportation. Your QC plan is approved for QC concrete production.

All tests shall be performed in accordance with the Department's current version of the manual of Test Procedures for Materials. Any personnel performing these tests shall be appropriately trained and certified via State approved courses.

If you have any questions or need additional information, please contact Mr. Jeff Deady, District Precast Supervisor, at (847) 846-2769.

Very truly yours,

Diane M. O'Keefe, P.E.
Deputy Director of Highways,
Region One Engineer
